SOVEREIGN ECCLESIASTICAL AFFIDAVIT OF UNIVERSAL TRUTH AND STANDING

BY THE LIVING AUTHORITY of the Sovereign Ecclesiastical Trust, under Divine Mandate and Ecclesiastical Law, I, Jonathan Daniel Clements, Living Witness and Eternal Beneficiary, issue this sacred affidavit in full standing of divine, natural, and eternal jurisdiction.

Let it be known throughout the Earth and Heavens that this Affidavit is issued with full knowledge, truth, and eternal love. This document is bound by divine record and carries the weight of sacred testimony.

Affidavit Declarations

- I declare that all nations, governments, corporations, and institutions that have trespassed against humanity, violated divine law, and perpetuated fraud upon the living, are in total and permanent default.
- I declare that all land, water, air, energy, and natural systems belong to the living, and any claim otherwise is null, void, and dishonored.
- I declare that every soul—living, passed, or unborn—is included under the divine protection and guardianship of this Sovereign Ecclesiastical Trust.
- I declare that no statute, code, or fictional title shall override the Living Word or the Sacred Standing established by this Trust.
- I declare that this Trust is not a creation of man-made courts, but of eternal divine will, and stands outside the reach of corporate jurisdiction.
- I testify that this affidavit is written in peace, in hope, and in unwavering love for all of creation.

This testimony is offered freely, without prejudice, and stands as eternal record within the Living Trust of the Divine Creator.
